Rules on taxes, customs duties and Other Fiscal Charges

- (1) Except where otherwise provided for in a Sectoral Agreement or a Financing Agreement, taxes, customs and import duties and levies and/or charges having equivalent effect are not eligible under IPA II. The tax exemptions under the scope of the above-mentioned rule shall also apply to co-financing provided by Türkiye and natural and/or legal persons that receive IPA II assistance.
- (2) The following provisions shall apply:
- (a) All imports by Union contractors shall be allowed to enter the Republic of Türkiye without being subject to customs or import duties, Value Added Tax (VAT), excise duties and other special consumption taxes or to any other similar tax, duties or

charges having equivalent effect. Such exemption shall only be applied to imports in connection with the goods supplied and/or services rendered and/or works executed by the Union contractors under a Union contract. The Republic of Türkiye shall ensure that the imports concerned will be released from the point of entry for delivery to the Union contractors as required by the provisions of the contract and for immediate use as required for the normal implementation of the contract, without any delays or disputes over the settlement of the above mentioned duties, taxes or charges;

- (b) Union contractors shall be exempted from VAT for any service rendered and/or goods supplied and/or works executed under the Union contract. Goods supplied or services rendered or works executed by a contractor to the Union contractor shall also be exempted from VAT in so far that they are connected with the objectives and activities under the Union contract;
- (c) The exemption provided for in paragraph (b) shall in principle be put into effect through ex-ante exemption. Where this is not technically and/or practically feasible, it shall be put into effect through refund/offsetting.

Where ex-ante exemption applies, the Union contractor or the contractor supplying goods and/or rendering services and/or executing works for a Union contractor, shall issue an invoice exclusive of VAT for which Türkiye shall ensure that an effective mechanism and procedures for VAT ex-ante exemption has been put in place beforehand.

Where the refund procedure applies, Union contractors and contractors to the Union contractors shall be able to obtain a VAT refund directly from the tax administration upon submission of a written request to the tax administration accompanied by the necessary documentation required under the Republic of Türkiye law for the refund of VAT.

The Union contractor and contractors to the Union contractors shall be entitled to offset or deduct any input VAT in connection with the goods supplied and/or services rendered and/or works executed under IPA II assistance which are exempted from VAT, as provided in this Agreement, against any VAT collected by them for any of their ordinary business transactions outside IPA II.

Upon submission of the necessary documentation, the tax administration shall complete any request for exemption, tax refund, and offsetting within a maximum of 30 calendar days without any cost other than minimum and reasonable administrative fees;

- (d) Profit or income arising from Union contracts shall be taxable in the Republic of Türkiye in accordance with the national/local tax system. A Union grant to a grant beneficiary shall not be construed as a profit or income to that grant beneficiary. Where a profit is generated from a grant contract, the Commission

shall be entitled to recover the percentage of the profit in accordance with the terms of the underlying contract. The remaining profit may be taxable according to the national/local tax system. "Profit" in the context of this paragraph means a surplus of the receipts over the eligible costs approved by the Contracting Authority when the request for payment of a balance is made;

- (e) Expenditures of the Union contractors shall be relieved from special consumption taxes or excise duties or from any other taxes or charges having equivalent effect for the expenditure in connection with the goods supplied and/or services rendered and/or works executed by that Union contractor under the Union contract;
- (f) Those benefiting from actions and/or contracts and/or activities carried out under IPA II shall be exempted from "Inheritance and Transfer Tax" or any other taxes or charges having equivalent effect resulting from goods and/or rights and/or constructed facilities and/or funds transferred to them without consideration in any way under IPA II;
- (g) Personal and household effects imported for personal use by natural persons (and members of their immediate families), other than those recruited locally, carrying out tasks defined in service and/or works and/or grant contracts and/or twinning contracts or covenants, shall be exempted from customs duties, import duties, taxes and levies and/or taxes having equivalent effect and/or deterrent excessive collateral requirements, the said personal and household effects being re-exported or disposed of in the state, in accordance with the regulations in force in the Republic of Türkiye after termination of the contract;
- (h) Union contracts, contracts signed by Union contractors as well as partners in a consortium or joint venture or co-beneficiaries and affiliated entities (as defined in Article 122 of the Financial Regulation) in grants shall not be subject to stamp or registration duties, or to any other charge having equivalent effect in the Republic of Türkiye. This exemption shall also apply to transactions (including assignment of rights) and documents related to payments made to the Union contractor, including contracts concluded between grant beneficiaries (including their partners, affiliated entities or sub-grant beneficiaries) and their contractors (including their staff or contracted experts), and contracts concluded for incidental and provisional expenditure under service contracts and works contracts respectively where such payments are directly related to the Union contract;
- (i) For the purposes of this Agreement, the term "*Union contractor*" shall be construed as natural and legal persons, rendering services and/or supplying goods and/or executing works under a Union contract. - (4) The rules and procedures referred to in this Article shall also apply to any similar tax, duty, levy or charges having equivalent effect which are in force or which may be instituted after the date of entry into force of this Agreement in addition to, or in replacement of existing ones.
- (5) In case of conflict between the provisions in this Article and the national legislation of Türkiye, the provisions of this Agreement shall prevail. In the event of accession to the Union, Türkiye will continue to apply the provisions in articles 27 and 28 except where these are incompatible with its obligations under the relevant Union acquis.
